**COVID-19 UPDATE #2: March 16, 2020**

Dear Studios and Parents,

Here at Stage One, we are aware of the current conditions going on regarding COVID-19. We will continue to monitor the conditions of the outbreak and will make decisions with the best interest of the dancers and attendees in mind.

We are monitoring what other events and cities are doing in the upcoming weeks. It is hard to determine this far out for some cities, so our decisions regarding each one will be made closer to the dates that they are being held regarding continuing or canceling.

Please let us know if you have any questions. We are all approaching this with caution, and we want to keep our studios assured that our decisions will be made with everyone's wellbeing in mind. Below is a list of competitions that are canceled as of March 16, 2020.

Sincerely,

Greg Massay

Executive Director
